

## BROTHERS SHOT BY OFFICERS

On Sides Instantly—Officer Is Cut In the Face.

Union Springs, Ala., Jan. 18.—Quite a serious affair occurred at Tuskegee which resulted in the killing of Bob McBride and the fatal wounding of Jim McBride, his brother.

From the meager information received it seems that the McBride brothers, whose home is at Cotton Valley, 12 miles from Tuskegee, had come to town and from some cause became involved in a difficulty with City Marshal Taylor. The marshal called to his assistance Deputy Sheriff Lamar and Sheriff John Conner, and in the attempt to arrest the McBride brothers, Bob McBride was shot and instantly killed.

Jim McBride was cut badly and Sheriff Conner received several cuts about the face and neck which are very painful but not serious. Jim McBride, it is stated, will die.

The tragedy is very much deplored here, as all the parties are well known at this place.

## Tragedy Result of Strike.

Fall River, Jan. 18.—John Neville, a weaver, who, with his crippled wife is said to have suffered much in the cotton mills strike, after reading of the failure of the strike conference at Boston yesterday, drew a razor across his throat. Death followed immediately. Three striking loom fixers—Jas. Logan, Michael Waddington and Peter Hudson—who since the mills closed have lodged together in one small room, were found unconscious. Gas was escaping from a jet in their room. The men were unable to explain. They will recover.

## Strike on Panama Canal.

Colon, Jan. 18.—The strike of the St. Cristobal men ended Monday. The canal officials brought in 120 laborers, chiefly Colombians, from Panama and other points along the line. These men temporarily are receiving \$1.50 silver per day and also free quarters and food. Several striking laborers were evicted Saturday evening from the canal commission's houses, but a large number have given up the strike and are gradually resuming work.

## King of Bunco Men Dead.

New York, Jan. 18.—"Ike" Vail, for almost half a century known throughout this country and Europe as the "King of Bunco Men," is dead at the age of 70. He passed away under an assumed name at the home of his nephew in the Bronx and probably will be buried near his birth place, Poughkeepsie-on-the-Hudson. Estimates as to the money accumulated by Vail during his palmy days agree that he must have taken considerably more than \$100,000, but he spent it quickly, and was finally driven to picking pockets.

## Pauper Leaves \$600,000.

Batavia, Ill., Jan. 18.—Daniel Matana, an eccentric old man, who died recently but on the banks of the Fox river two months ago, and who for years had lived on the charity of kind-hearted neighbors, was possessed of property valued in probate court yesterday at \$600,000. For years the old man lived alone, having by his extreme frugality driven his wife and son from his home. His neighbors considered him a pauper, and neither wife nor son knew of his wealth.

## Would-Be Assassin Arrested.

Moscow, Jan. 17.—The man who attempted last night to shoot General Trepoff (recently removed as the chief of police) was "set by the railway station hands and quickly incarcerated. He refused to reveal his identity or to make any statement. General Trepoff had been bidding a farewell to Grand Duke Sergius, and the train was just starting. The general reached the doorway and was about to alight when his assailants fired four shots at close range. The bullets passed into the car and struck a notice board in the corridor. The third shot hit the door beside Trepoff.

## Fifty-Nine Persons Perish.

Christiana, Norway, Jan. 18.—Fifty-nine persons perished as the result of an avalanche of rocks at Naedal north of Bergen, Sunday. A mass of rock was suddenly precipitated into Loevand lake from the neighboring hills causing an immense wave 26 feet high which swept the neighboring shores. Houses, people and cattle were swept away by the rush of the waters, and it is reported 59 persons perished. Thus far only four bodies have been recovered. A great alarm was stopped the relief work, as the surrounding district is unable to send

## Fugitive Killed by Engine.

Springfield, Mass., Jan. 18.—Edwin Estee, who escaped from the Berkshire county jail, in Pittsfield, seven years ago, was killed Monday by a switch engine, near Agawam Junction. News of his death was the first intelligence the jail authorities had received of him. Estee stated while dying that he had friends in North Adams and was making his way back to old scenes irrespective of consequences. He was sentenced for a minor offense and bolted because he was made to weed the jail garden.

## Cotton Found on Fire.

Barnesville, Ga., Jan. 17.—Fire was discovered Sunday morning in the brick cotton warehouse of J. W. Stafford & Sons. The doors of the building were broken in and it was found that two or three bales near the door were on fire. These were immediately rolled out and the flames soon extinguished. The origin of the fire is not known. No other damage resulted from the blaze.

## Hospital Damaged by Fire.

Montreal, Jan. 17.—Fire broke out today in the kitchen of the Royal Victoria hospital, located on the brow of Mount Royal, but by the efforts of the firemen the flame was confined to the center of the building. The damage is estimated at \$150,000; covered by insurance.
